

Becoming MTTC Ready

The Michigan Department of Education requires educator preparation programs to assess each candidate's MTTC readiness before the candidate takes a required MTTC test. The requirements below are **effective immediately**.

IMPORTANT: Before taking your MTTC, you must be deemed MTTC Ready by meeting one of the criteria listed for your certification area below.

MTTC Ready - Elementary

1. Earn a passing score on the Pearson Practice Test. **Proof:** PDF copy of your practice test score. **OR**
2. Complete all Phase I courses. **Proof:** PDF copy of your #TEACH unofficial transcript showing all Phase I courses are complete. **AND**
3. Complete the #TEACH Teacher Proficiency Assessment (TPA). **Proof:** PDF copy of your TPA results.

MTTC Ready - Secondary & PK-12

1. Earn a passing score on the Pearson Practice Test. **Proof:** PDF copy of your practice test score. **OR**
2. Complete 24 credit hours in the content area with a grade of C or better. **Proof:** PDF copy of your transcript with the applicable courses highlighted. **OR**
3. Complete five years of successful teaching in the content area or a related area. **Proof:** PDF copy of your resume with the applicable teaching experience highlighted.

MTTC Ready - Special Education

1. Complete all special education courses. **Proof:** PDF copy of your #TEACH unofficial transcript showing all special education courses are complete.

Please submit the appropriate documentation to programadvisor@trainingeducators.com.

If you have already taken and passed the MTTC, you are already MTTC Ready. If you have taken the MTTC and did not pass, do not attempt the test again until you are deemed MTTC Ready.

Pearson full-length MTTC practice tests are available for \$9.95.
